As this is a new Cooperative with as yet no trading record the application was approved and the initial fee of \$50.00 accepted to cover membership to 30th June 1980 subject to review.

7. FINANCIAL

The audited accounts for the year ending 30th June 1979 were presented to the meeting, discussed and received. Authority of Council was given to the President and Vice President to sign them as true and fair records.

8. MEETING WITH MINISTER

The Chairman reported on the meeting with the Minister administering the Cooperation Act. The Federations deputation comprised himself, the Vice-President, Mr. Slattery, Advisory Council Member Mr. Long and the Executive Officer Mr. Rawlinson.

The Minister apologised for the lack of consultation on the amending legislation to the Cooperation Act introduced into Parliament at the beginning of July. He indicated further amending legislation will be introduced in the Spring session of Parliament with the main object of lifting the aggregate allowed Government to guarantee loans to Cooperatives. The whole Act is to be reviewed and proposals from the Federation will be welcomed. He extended an invitation to the Federation to nominate a representative to sit on the Cooperative and Small Business sub Committee of the Victorian Employment Committee.

The deputation considered the meeting to have been satisfactory.

12. REPORTS (cont.)

The next meeting is scheduled to be held in Sydney on November 12th 1979.

The Council in considering the report agreed to consider a paper on the proposed Farmer Cooperative Service at the August meeting.

It was agreed to circulate the C.F.A. paper on future plans to Council members for study and submission of recommendations at the August meeting.

13. MEETING WITH STATE MINISTER FOR AGRICULTURE

The meeting was advised of a vacancy on the Board of the Victorian Dairy Industry Authority. The Act constituting the Authority provides for the Minister to nominate to the Governor names from "panels each of not less than three names and not more than five names submitted to him at his invitation by the body or bodies which in his opinion represent the appropriate interests".

Council noted no representative of the Cooperative Dairy Industry is represented on the Board of the Authority and agreed a submission should be made to the Minister on this situation.

The submission should also include the request of the Cooperative Federation of Australia on the subject of services for Farmer Cooperatives for which specific appointments exist in the Agriculture Departments of New South Wales and South Australia.

A proposed deputation for this purpose was suggested as -

Leader	-	Mr. O. Slattery	-	Vice President

		Mr. A.C. Skene		Camperdown
				Glen Oxmiston
with		Mr. W.W. Rawlinson		Executive Officer.
